LEWIS AND CLARK AMONG THE BISON

On August 23, 1804, Joseph Fields, part of Lewis and Clark's Corp of Discovery, shot the party's first buffalo in southeast South Dakota. While traveling through South Dakota the Bison provided an excellent food source for the men. Each man ate about nine pounds of meat a day!

DUTCH OVEN COOK-OFF CHIEF FOOD JUDGE

Mr. Edward Quinlan – CAMP CHEF
Mr. Quinlan currently hosts a weekly cooking segment of the popular Back Country Utah on KKTK radio. You'll also see him as a guest on national cooking shows in Chicago, Salt Lake City, Houston & Portland plus featured in newspapers and magazines for his expertise in cooking. As an expert in safe outdoor cooking, Mr. Quinlan can be found teaching various outdoor cooking classes from Dutch oven to barbecuing. He is a certified judge by the National Barbecue Association and the International Dutch Oven Society.

Mr. Quinlan will be on-hand to answer all your cooking questions!
